

TRACK YOUR PROGRESS

What can you do in high school to show you're Construction Ready?

- Shop Classes
- Career discovery activities
- Be part of a team (Sports, clubs, etc.)
- Show initiative (start a band, be active, build things yourself, etc.)
- Volunteer and gain work experience
- Connect with industry
- Get your Driver's Licence
- Complete safety certifications
- Do your Foundation Training (ITA Youth Train in Trades)*
- Start your Apprenticeship (ITA Youth Work in Trades)*

*ITA youth programs allow you to get a head start on the trade of your choice. Contact your school counselor to find out how.
